

OTA AKHIGBE (long bio)

Meet Ota Akhigbe, a real powerhouse in getting things done and making a positive impact wherever she goes. With over 15 years of experience in different fields like healthcare, finance, telecommunications, and more, Ota's career journey is nothing short of inspiring. Growing up, Ota always had a knack for solving problems and helping others. This drive led her to pursue a degree in Computer Science from Ambrose Alli University, where she learned the ropes of technology and its potential to make a difference.

After graduating, Ota dived headfirst into the corporate world, landing roles in various industries. From her early days at Guaranty Trust Bank PLC, where she led strategic initiatives in telecoms and financial institutions, to her time as the Head of Business Development at Bastion Health Limited, Ota's career trajectory has been marked by consistent success. But it was not just about climbing the corporate ladder for Ota. Along the way, she discovered her passion for driving change and making a difference in communities. This passion led her to roles where she could leverage her expertise to tackle pressing issues, whether it is developing partnerships at the Private Sector Health Alliance of Nigeria (PSHAN) or leading the Adopt-A-Healthcare Facility Program (ADHFP) to secure funding for healthcare infrastructure provision.

Ota's achievements speak volumes about her dedication and leadership skills. From securing substantial investments for healthcare projects to fostering partnerships with global organizations, she has made a tangible impact on the lives of many. Her work has been recognized both locally and internationally, earning her accolades such as being named one of the Top 60 African Women in Development. Beyond her professional achievements, Ota is also deeply passionate about community support and social impact. Whether it's organizing mastermind events to foster collaboration among executives and entrepreneurs or mentoring young professionals through various programs, she is committed to paying it forward and empowering others to reach their full potential.

Currently, Ota, as Head of Memberships and Partnerships at the Private Sector Health Alliance of Nigeria (PSHAN), is leading efforts to improve access to primary healthcare infrastructure in Africa. She has secured over \$1 million in funding to renovate 52 primary healthcare centers across Nigeria, directly benefiting millions in underserved communities. Ota has also championed family planning initiatives, empowering hundreds of thousands of women with critical resources.
